Option 1

Option 2

Stuff I excited to do or would like to Learn:

Jane Doe: Backend (I wanna play around with SQL)

Bas Beeuwsaert:

Caroline Xiong: I want to try my hand at HTML, CSS and/or linking front end with backend

Christopher Yoon: Frontend - related stuff.

Daniel Huynh: attempting to play with the HTML and CSS to display the figma design
(maybe authentication too i've used google firebase as a database prior)
(website hosting? I.e. domain name and DNS records etc)

Kent Utomo:

Michael Fu: I want to attempt to play around with SQL and Javascript (make sure that their bullet journals actually save)

Sophia Lui: frontend linking to backend

Wen Tian:

Yuchen Jin:

Action Items

-
- Can someone bring our pitch deck to Powell's OH on Monday 2-4PM? We just need feedback on the portions of our project design so far and then afterwards Deepak will accept it in our Monday 5pm meeting (Michael said he will)
