

# Meeting Agenda

---

Team: 23andMe Date: April 27, 2021 Time: 6:00 PM

---

## Topic 1:

1. Converge everyone's wireframe ideas to make a low fidelity design plan to bring to Thursday's meeting and share with the rest of the team

## Meeting Notes

---

### Caroline Xiong's Design:

- Elisi app
- >> chris's idea: username on top corner
- Liked the format for the task note and events
  - Located above the future log

### Sophia Lui's Design:

- Photo entry for month log

### Chris Yoon's Design:

- Month:
  - Decorate the page
- Daily >> Drawings >> "+"
  - Make it more personal

### In Common:

- Today week month on left side bar

**Question:** Bullet journal vs calendar

### Thoughts:

- Include an uploading feature for pics/videos/gif

### IDEAS:

- Left Sidebar:
  - Daily
  - Week
  - month
  - Future/Custom Logs
- Rest of the home page:
  - Add task/event/note/media
  - List of all tasks, events, notes, and media contents
